Chinese Delegation Lunch at Innholders' Hall

30 College Street London EC4R 2RN

Monday 17th December 2018

As many of you will be aware The Master's main theme for his year International Relations. For some years now the Master has developed a good friendship with the Mayoralty and government in Rugao, Jiangsu province. The Master has been asked to Host a delegation for talks on economic, cultural and educational co-operation between cities in the UK and Rugao. Rugao is understood to be leading the world on advanced technologies involving the development of Hydrogen Power and green energies amongst many other advancements.

To celebrate and cement relationships between the Company, its Members and Rugao the Master has organised a lunch to be held at Innholders' Hall catered by their Michelin starred chef Herbert Berger.

This is a wonderful opportunity for Company Members firstly to potentially network with what will undoubtedly be the one of the UK's most important markets Post Brexit but also to enjoy a super lunch in this rebounded venue.
