**Meet fellow Constructors on a Site Visit to
K1 Knightsbridge**

16 Basil Street, London SW1X 9LA

22 March 2019

13:45 for tour starting at 14:00

By courtesy of the Main Contractor, Skanska PLC, and as part of the OPEN Doors, Get into Construction project the Master and Wardens invite Constructors and their guests to join them for a Site Visit to K1 Knightsbridge. Constructors' partners are most welcome, as are other guests and prospective members. All attendees should however note that this is a working construction site and rules for such site visits will apply.

K1 Knightsbridge is a 194,000 sq ft mixed use scheme in the Royal Borough of Kensington and Chelsea. It retains the existing façade, has three storeys and a basement and is being constructed over and adjacent to Knightsbridge Underground station. It has 13 sectional handovers and will be complete in the third quarter of 2021.

The cost of the visit is £10 per head which will be donated to the Masters' Fund. We will meet at 16 Basil Street London SW1X 9LA at 1.45pm and the site visit will commence at 2.00pm. Participants will be required to wear PPE and should ensure that their vest and boot sizes are included in their application

Please book in for this site visit as soon as you can by contacting Junior Warden Terry Withers (terry@admiral-scaffolding.co.uk). Bookings will be on a "first come - first served" basis and attendees should pay Terry for their place(s) on booking also indicating whether they would be interested in a "pay your way" arrangement for food and drink after the site visit.

The closing date for bookings (and the last date for cancellations) is 1 March 2019 or when all eight places have been taken.
