From £27.00 per adult

### Event Description:

The Worshipful Company of Constructors is having a day out at the races. Members of the WCC are invited to bring their friends, partners and family along.

The final fixture of Ascot's 2021/22 Jumps season features a varied card including a popular Veterans Chase and a valuable two-mile juvenile hurdle which always attracts a competitive field.

There will be plenty of action on and off the track and children can explore the racecourse in a safe environment with free fun attractions.

Please confirm your attendance with and ask any questions to Liveryman Craig Harding,
