NEWGEN EVENT

## JOIN THE CONSTRUCTORS ON A SPINE-CHILLING TOUR OF LONDON'S SINISTER PAST

Young Constructors are invited to explore Whitechapel & Spitalfields' dark past with a spine-chilling journey through the cobbled alleys and Victorian streets of Jack the Ripper's infamous East End crime scenes.

An expert Jack the Ripper guide will walk guests through the murder mystery that has baffled the Metropolitan Police for 125 years and reveal the myths and secrets of London's most notorious serial killer.

After the tour, guests are invited to join veteran constructors for dinner and drinks at Balls Brothers in Austin Friars to meet and greet fellow members.

The tour will begin at the entrance to Tower Hill Tube Station at 18:30 and end in Spitalfields before moving on to Balls Brothers in Austin Friars. The tour will be provided free of charge but dinner and drinks at Balls Brothers are not included.

**FREE (dinner and drinks at Balls Brothers not included)**

**Guests are advised to wear appropriate walking shoes and winter attire.**
