

THE WORSHIPFUL
COMPANY OF
CONSTRUCTORS

CLIMATE ACTION COMMITTEE EVENT

Merchants Square'
28th September 2023

iRecycle is a pioneering company, formed with a single vision: 'change for better' by moving Waste by Water; they are helping to remove traffic off the heavily congested London roads, to reduce harmful Co2 emissions & the protection of our environment runs at their very core.

Canal Clean Up

As part of iRecycles initiative they have started running regular Canal Clean Up (CCU) events to remove any rubbish & pollutants from the canal.

Teams of 5 can go on board their electric powered boats with a member of the iRecycle team to assist with clearance, photography & waste collation as they sail.
