BE PART OF SOMETHING HISTORIC

A long-established charity event, celebrating a Freeman's ancient "right" to bring sheep to market over the Thames, toll free; all in aid of raising funds for The Woolmen Charity and The Lord Mayor's Appeal.

The 2024 Sheep Drive Livery Fair is a unique opportunity to be part of recreating historic community activities that took place on London's bridges.

The fair will include wool trades, products and demonstrations alongside City of London Livery Companies and specialist craft stalls. All of this will take place next to the historic re-enactment of Freemen exercising their right to drive their sheep over the Thames to market.

With Southwark Bridge closed to traffic for the entire day and ideally located between St Paul's Cathedral, north side and Shakespeare's Globe on the Southbank, this will be a truly spectacular family day out. Building on last years' success, many of our previous Wool and Livery stall holders have already signed up.

Secure your place now to be part of this historic day.
