This 2024 event promises to be an exhilarating competition where teams of four will vie for the esteemed title of racing champions.

Immerse yourself in a morning brimming with high-spirited fun, amiable rivalry, and an abundance of laughter. In the spirit of community and generosity, all proceeds from the event will directly support the charitable initiatives of the Coopers Company.

Teams are welcomed to hone their barrel-rolling skills from 08:30am, with the official race festivities kicking off at 09:30am. This is a wonderful opportunity to master the art of cask rolling and foster team spirit before the main event.

A gentle reminder for all participants: please dress appropriately for this physical activity. Comfortable clothing and sturdy footwear are essential. To ensure everyone's safety and comfort, Coopers will provide gloves to each participant on the day of the race.

This is the first time the Constructors has participated and the Company has already pre-registered a team of 4.

Please be ready to rehearse your skills at 08:30 in Guildhall Yard.

Spectators are welcome on the day. Open to all members and their guests. Please book directly with the organiser if you would like to be a spectator and cheer on the Constructors!
