WCoC support the City Giving Day

1.30 on 24th September

The Master and Wardens invite fellow Constructors and their guests to support

City Giving Day is a simple but impactful initiative that enables City companies and employees to celebrate and showcase their philanthropic and volunteering achievements and encourage others to get involved.

What could be better than a nice gentle stroll around the City during your lunchtime?

Lasting about an hour, one of the City of London Guides will take you through some of the byways of the City telling tales and pointing out myriad points of interest – you'll be amazed by what you learn. So, whether you want to learn something new about the City or just get outside for a breath of fresh air at lunchtime - this will be the activity for you.

Places can be reserved for a donation of £20. This money will be split between The Lord Mayor's Appeal and the Worshipful Company of Constructors Charitable Trust.
