

THE WORSHIPFUL COMPANY
OF CONSTRUCTORS

LAUNCH OF THE MASTER'S PHOTO COMPETITION SERIES

A picture speaks a thousand words!
Send us photos that tell a story!

WHAT IS THE MASTER'S PHOTO COMPETITION?

Each month, we will announce a specific focus, and you can submit one photo each month by the closing date. Your photo should include a caption explaining where and when it was taken and how it illustrates the monthly theme.

A panel will select the winner and runner up each month, who will be announced the following month with prizes provided by The Master.

Annual Company Calendar

At the end of The Master's year, the winning images from all 12 months will be featured in a Company Calendar for 2026. The calendar will be sold to raise funds for our 50th Year celebrations.

October Theme: City - Constructors at Work: Get your cameras ready and capture the essence of our vibrant city, Constructors and the Livery!
Closing date is 7th November

Please send your entries to master@constructorscompany.org.uk

By submitting your photo, you agree to provide free use of the image for this purpose. Please ensure that your photo does not infringe copyright, especially those related to buildings where the architect may retain rights.
